

Dear _____,

I am working to get enrolled in a program in the USDA Partnership for Climate Smart Commodities. To fill out the required paperwork I will need the following items to enroll. You have my permission to send a copy of the following forms to Shannon Cappellazzi and Jack Pieper by email at climatesmartseed@goseed.com. They both work at GO Seed and will be managing the paperwork and sampling for the enrollment.

Current Subsidiary Print

Showing HELC/WC conservation compliance certification and foreign person status
FSA Tract Maps as SHP files

For the following farm numbers: _____

The end date for this authorization is one year after request was submitted.

Farmer typed name: _____

Signed: _____ Date: _____

This farm is working with GO Seed on their grant "Cover Crop Seed Production Grown with Climate Smart Wheat." Please feel free to call Shannon Cappellazzi with any questions
